

10.8. SETUP PHOTOS

Radiated Emission below 1 GHz measurement

Y axis with Cradle front side (worst case)

Y axis with Cradle back side

X axis position

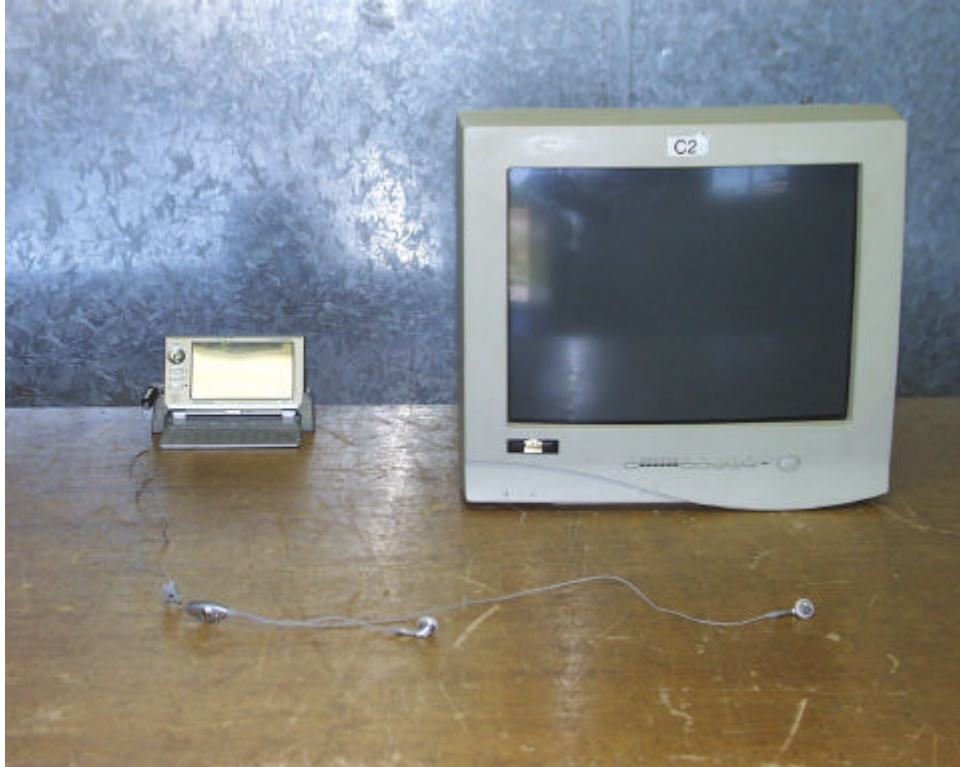

Z axis position

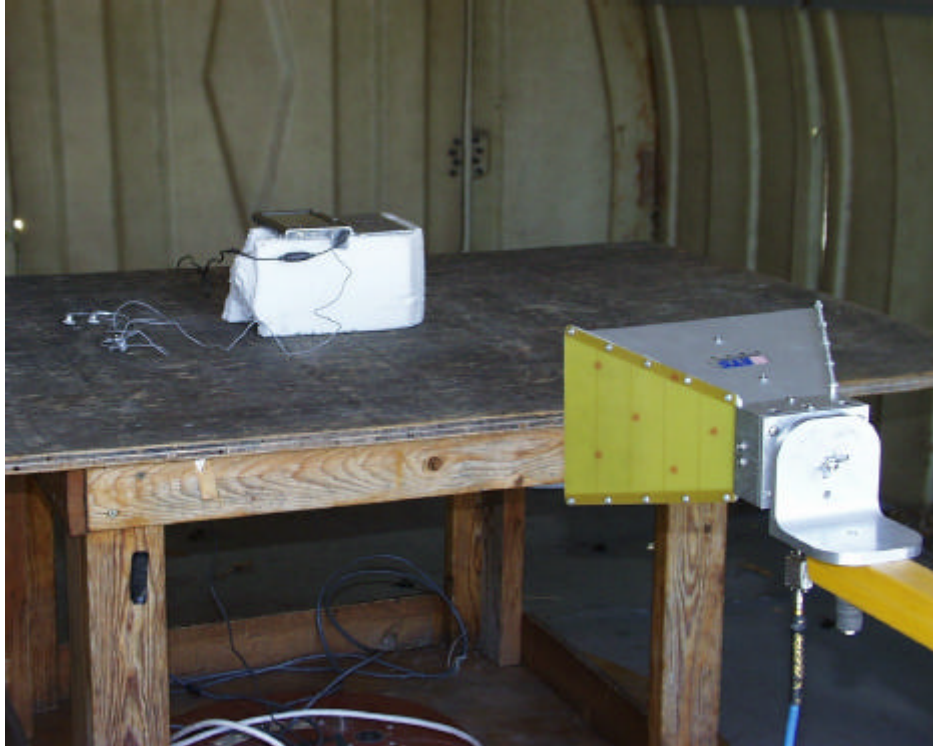

Y axis with PCMCIA Card adaptor

Conducted Emission measurement

Radiated Emission above 1 GHz measurement

X axis position (worst case)

Y axis position

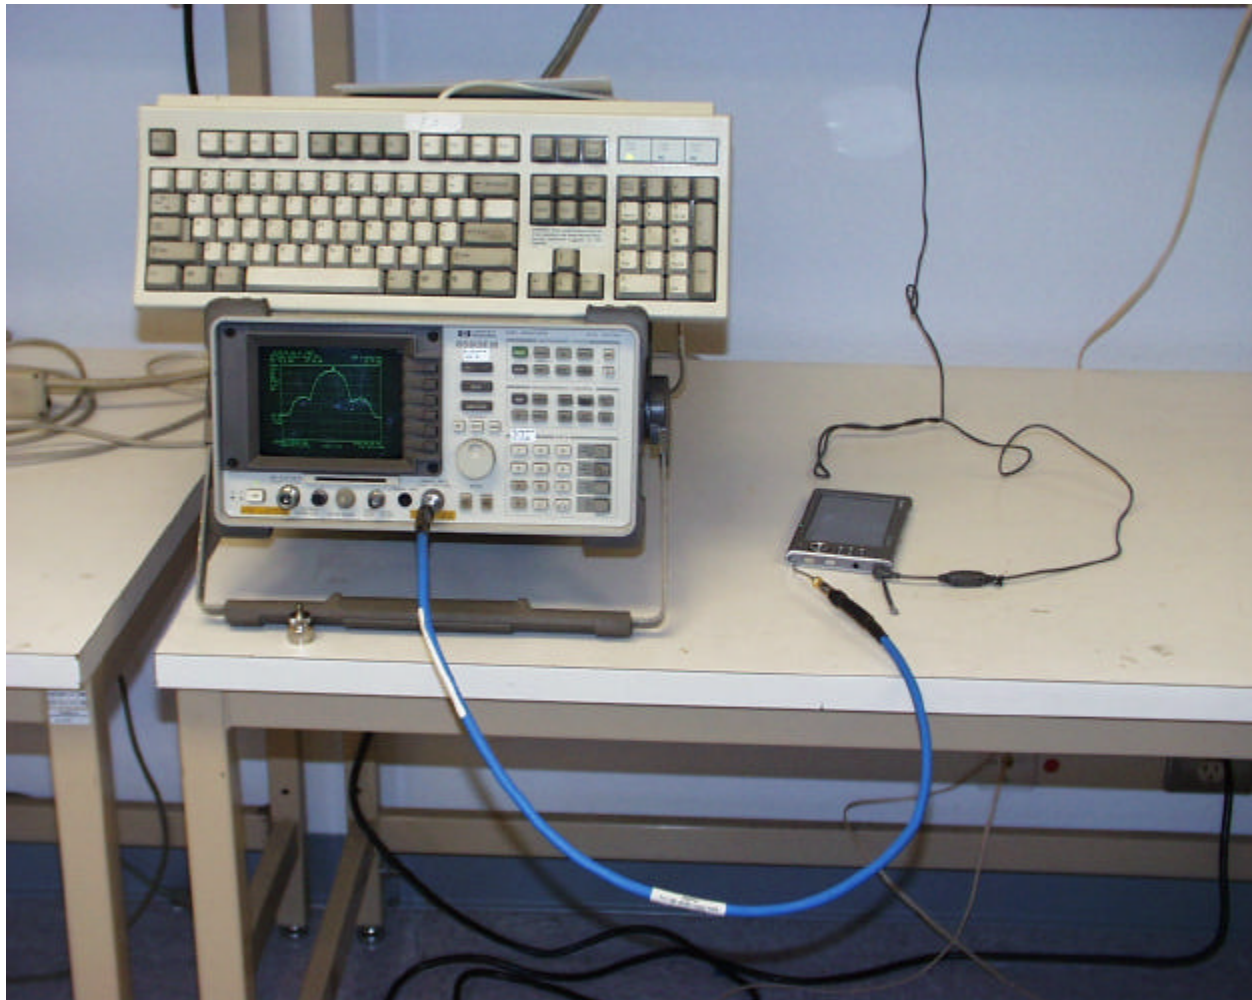

Z axis position

Radiated Emission above 18 GHz measurement

X axis position (worst case)

Antenna Port Terminal measurement
