Dual Band Analog/PCS Phone (AMPS/CDMA)
Request for Tech. Info.: 06/04/98
Reference Number: 960

Dear Frank:

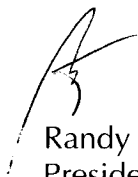

Transmitted herewith, on behalf of Samsung Electronics Co., Ltd., is an amendment to the above-referenced application per your e-mail request dated June 04.

1. Attached is the Receiver Spurious emission test plot showing compliance with the requirement of Section 22.917(f) of the FCC Rules.
2. Please note that the PCS amplifier description (EAS Exhibit 12) is part of the Circuit Description, which is marked Confidential and is stated in the applicant's request for confidentiality letter. Samsung therefore requests confidentiality of the PCS amplifier description.

If you have further questions regarding the above, please do not hesitate to contact us. Thank you.

We respectfully request issuance of the FCC Grant for the subject application as soon as possible.

Sincerely,

Randy Ortanez
