Request for Tech. Info.: 7/25/01**

Dear Joe:

Transmitted herewith, on behalf of **Samsung Electronics Co., Ltd.** is an amendment provided in response to the request for technical information dated July 25, 2001.

1. Please find attached the data points on the hand and body configurations for the standard and extended battery.
2. Both Batteries (extended and standard) were tested with a 1cm separation from the flat phantom.
3. The photo shows the standard battery, which is the worst-case condition for body SAR.
4. We would like to confirm that there is no belt clip included, please refer to page 75 (accessories page) in the users manual.

We trust this information is sufficient for the immediate grant of this application. If you have any further questions, please do not hesitate to contact us.
