SUBJECT: Samsung Electronics Co., Ltd.
FCC ID: A3LSCHI300
731 Confirmation No.: EA100292
Correspondence Reference No.: 19310
Request for Tech. Info.: 5/17/01

Dear Joe:

Transmitted herewith, on behalf of **Samsung Electronics Co., Ltd.** is an amendment provided in response to the request for technical information dated May 17, 2001.

1. We confirmed that the conducted power level set for the PCS mode during the EIRP test was 23dBm. We confirmed that the conducted level set for the CDMA (800) mode during the ERP test was 25dBm. These conducted levels will be set for all production units. We will also accept the grant condition stated in your email.

We trust this information is sufficient for the immediate grant of this application. If you have any further questions, please do not hesitate to contact us.

Randy Ortanez
President & Chief Engineer
