Title : Fwd: Questions Regarding FCC ID: A3LSCHS269

Dear Steve

1. Please provide correct SAR Dipole Certificate. The data plots and equipment list indicate SN:4d014, whereas the certificate indicates 4d050.
-> Under examination
2. RF Report states in the EUT Type is "with Bluetooth", however the associated documents do not indicate this device contains Bluetooth. Please clarify.
-> Under examination.
3. Block Diagram and Schematics indicate USB connectivity with a computer. Please submit a JBP computer peripheral certification portion for this application.
-> This model has not external interface for USB, It's for only developer. So users can't use the data cable.

Sincerely,
Chase Jang

Date of Original Email: May 29, 2007

Subject: Request for additional information

In regards to your recent TCB application referenced above, we kindly request that you provide the following additional information.

1. Please provide correct SAR Dipole Certificate. The data plots and equipment list indicate SN:4d014, whereas the certificate indicates 4d050.
2. RF Report states in the EUT Type is "with Bluetooth", however the associated documents do not indicate this device contains Bluetooth. Please clarify.
3. Block Diagram and Schematics indicate USB connectivity with a computer. Please submit a JBP computer peripheral certification portion for this application.

The items indicated above must be submitted before processing can continue on the above referenced application.

Sincerely,

Stephen Liu
Certification Engineer
