

Label and Location

Model: SCL24
FCC ID: A3LSCL24

Label:

Location:

Phone: Label is placed inside of the battery compartment.

While the battery cover is installed when the unit is shipped from the factory, the battery is never installed prior to sale, so the user must remove the cover in order to install the battery and operate the device.

At this time the IC is readily visible to the user. The label is permanently attached by acrylic glue and not easily removed from the device.”
