**In re: Samsung Electronics Co., Ltd.
FCC ID: A3LSCWF200
Single-Mode Cellular CDMA WLL Phone
Part 22 Type Acceptance
Request for Confidentiality**

Gentlemen:

Samsung Electronics Co., Ltd., hereby requests confidentiality of the Block Diagram, Schematic Diagrams, and Circuit Description attachments of the above-referenced Type Acceptance application.

These documents contain detailed system and equipment description and related information about the product which Samsung Electronics Co., Ltd. considers to be proprietary, confidential, a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Samsung feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
