Subject: RE: [Application] FCC Part.15 - B -> MFP (A3LSCX5530FN)

Hello Mr. Kim,

Please provide Peak Radiated Emission data for Emission above 1 GHz.

Thank you & Regards,
Mia

Subject : **Application for FCC Part.15 - Subpart B (A3LSCX5530FN)**

=====

Dear Ms. Mia Kang

How are you!

I apply you the FCC approval for our MFP(Multi Function Printer) models, SCX -5530FN and variant.
Please refer to below information.

- FCC ID : **A3LSCX5530FN**
- Model No.: **SCX-5530FN, SCX-5330N**
- Power consumption : **520 Watts**
- Interface : **USB 2.0**
- Weight : **17.5kg**

Also, please refer to the attached documents and test report.

I'm looking forward to your earlier response and we can get a FCC grant copy from PCTEST Lab within turnaround time.

If you have any questions or need my help, feel free contact me at any time.

Sincerely yours...

Subject: Radiated emission test

FCC ID: A3LSCX5530FN

Gentlemen:

We, Samsung Electronics, hereby declare the comments regarding to radiated Emission test results above 1 GHz as follows;

" The measured peak emission levels do not exceed the average limit by more than 20dB."

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "S. J. Kim".
