May 18, 2002

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

To Whom It May Concern:

The transmitter module will only be sold as an option for the specified laptop computer listed in the referenced FCC Certification filing. This is a limited modular device since the antennas are permanently installed in the host laptop PC, and the transmitter module with the antennas can only be used with this laptop model.

Best Regards,

A handwritten signature in black ink, appearing to read "John SC Lee".
