**FCC ID: A3LSTHA255**  
**731 Confirmation No.: EA668657**  
**Correspondence Reference No.: 22143**  
**Request for Tech. Info.: 3/1/02**

Dear Joe:

Transmitted herewith, on behalf of **Samsung Electronics Co., Ltd.** is an amendment provided in response to the request for technical information dated March 1, 2002.

1. Please find attached the revised pages (11,12, and 13) of the test report.
2. Please find attached the audio frequency response data.
3. Please find attached the modulation limiting test data.
4. Please find attached the revised users manual.
5. Please find attached the revised SAR Test Photo with the ear-microphone.
6. We would like to confirm that the phone can not be operated in the Tx Mode with the clam shell closed.
7. Please find attached the print-outs from the dielectric parameter measurement equipment of the liquid parameters.
8. We would like to inform you that the ERP and radiated spurious data was taken with a conducted power of 26.0dBm in the AMPS mode.
9. Please find attached the system manufacturer verification data.

We trust this information is sufficient for the immediate grant of this application. If you have any further questions, please do not hesitate to contact us.
