

A silver Sanyo DVD Player & Video Cassette Recorder (DVW-100H) is shown from a front-facing perspective. The device has a sleek, rectangular design. On the left side, there is a front-loading disc tray with a "DVD VIDEO" logo. Above the tray, the text "SANYO DVD PLAYER & VIDEO CASSETTE RECORDER DVW-100H CINEMA PROGRESSIVE" is printed. To the right of the tray is a large, light-colored rectangular area labeled "4-HEAD HI-FI VCR". Below the tray and VCR area is a control panel with several buttons: "POWER", "STOP/PAUSE", "EJECT", "PLAY", "F.F.W.", "STOP", "REVERSE", "SKIP", "OPEN/CLOSE", "DVD", and "VCR". To the right of the buttons are three circular buttons labeled "V CHANNEL", "A", and "B", and a "SLEEP" button. On the far right, there are three output ports labeled "VIDEO", "L AUDIO", and "R AUDIO", and a "DIGITAL" port. The Sanyo logo is visible on the bottom right corner of the front panel.

The image shows the rear panel of a silver Pioneer hi-fi stereo component. On the left, there are four XLR inputs labeled 'XLR IN 1', 'XLR IN 2', 'XLR IN 3', and 'XLR IN 4'. Next to them are four RCA inputs labeled 'RCA IN 1', 'RCA IN 2', 'RCA IN 3', and 'RCA IN 4'. To the right of these are four XLR outputs labeled 'XLR OUT 1', 'XLR OUT 2', 'XLR OUT 3', and 'XLR OUT 4'. Further right is a power switch labeled 'POWER' and a power cord. On the far right, there is a warning label with the text 'CAUTION' and 'DANGER' and a diagram of a person being struck by lightning. The Pioneer logo is visible on the right side of the panel.
