

## APPENDIX B. Labeling Requirements

### Labeling requirements per Section 2.925 and 15.19.

The label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time purchase.

|                                                                                      |                                    |                                                                                                       |
