Grace, this test report also does not contain AC Conducted Emissions data required by FCC 15.107.

Please submit updated test report for the LG-T300 that contains AC Conducted Emissions data.

Best regards,

Chris Harvey

Dear Feel Jeong and Grace Loh,

I am starting to review the applications for the LG T-300 but the FCC Part 15 Subpart B Computer Peripheral JBP test report was not submitted. Please submit this JBP test report. The test setup photos submitted show Test Report No. : F690501/RF-EMG003293

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30

days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Best regards,

Chris Harvey
