

This device is not intended for sale in the USA.

Part 15.21 statement

" Change or Modifications that are not expressly approved by the manufacturer could void the user's authority to operate the equipment. "

Part 15.105 statement

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Part 15 Class B Compliance

This device and its accessories comply with part 15 of FCC rules and ICES-003 Class B digital apparatus requirements for Industry Canada. Operation is subject to the following two conditions: (1) This device and its accessories may not cause harmful interference, and (2) this device and its accessories must accept any interference received, including interference that may cause undesired operation.

Body-worn Operation

This device was tested for typical body-worn operations with the back of the phone kept 2cm (0.79 inches) between the user's body and the back of the phone. To comply with FCC RF exposure requirements, a minimum separation distance of 2cm (0.79 inches) must be maintained between the user's body and the back of the phone. Third-party belt-clips, holsters, and similar accessories containing metallic components should not be used. Body-worn accessories that cannot maintain 2cm (0.79 inches) separation distance between the user's body and the back of the phone, and have not been tested for typical body-worn operations may not comply with FCC RF exposure limits and should be avoided.

Conformité aux normes FCC Part 15 Class B

Cet appareil et ses accessoires sont conformes aux normes FCC Part 15 Class B de la Federal Communications Commission et aux exigences pour appareils numériques ICES-003 Class B d'Industrie Canada. Son fonctionnement est sujet aux deux conditions suivantes : (1) Cet appareil et ses accessoires ne doivent pas provoquer de brouillage préjudiciable, et (2) cet appareil et ses accessoires doivent accepter toutes les interférences reçues, y compris celles pouvant causer un fonctionnement indésirable.

Utilisation comme appareil portatif

Ce téléphone a été testé en vue d'une utilisation type comme appareil portatif, avec une distance de 2 cm (0,79 pouces) entre l'arrière de l'appareil et le corps de l'utilisateur. Pour satisfaire aux exigences de la FCC en matière d'exposition aux radiofréquences, une distance d'au moins 2 cm (0,79 pouces) doit être maintenue entre le corps de l'utilisateur et l'arrière du téléphone. Les pinces de ceinture, les étuis et autres accessoires semblables d'autres marques et contenant des composantes métalliques ne doivent pas être utilisés. Les accessoires portatifs empêchant le maintien d'une distance de 2 cm (0,79 pouces) entre le corps de l'utilisateur et l'arrière du téléphone et qui n'ont pas été testés en vue d'une utilisation type comme accessoires portatifs peuvent ne pas satisfaire aux limites d'exposition aux radiofréquences stipulées par la FCC et, par conséquent, ne doivent pas être utilisés.

LG-T510 User Guide - English

Some of the contents in this manual may differ from your phone depending on the software of the phone or your service provider.

Installing the SIM card and the handset battery

Installing the SIM Card

When you subscribe to a cellular network, you are provided with a plug-in SIM card loaded with your subscription details, such as your PIN, any optional services available and many others.

Important!

The plug-in SIM card and its contacts can be easily damaged by scratches or bending, so be careful when handling, inserting or removing the card. Keep all SIM cards out of the reach of small children.

Illustrations

Always switch the device off and disconnect the charger before removing the battery.

- 1 Remove the back cover.
- 2 Lift battery away.
- 3 Insert the SIM card.
- 4 Insert the battery pack.
- 5 Attach the back cover.
- 6 Charge the battery.

Music

To access the music **player**, touch **Music**. From here, you can access a number of **folders**:

Recently played - Plays the songs you have played recently.

All tracks - Contains the songs you have on your phone except the pre-loaded default music.

Artists - Browse through your music collection by artist.

Albums - Browse through your music collection by album.

Genres - Browse through your music collection by genre.

Playlists - Contains all the playlists you have created.

Shuffle tracks - Play your tracks in a random order.

Transferring music onto your phone

The easiest way to transfer music onto your phone is via Bluetooth or the data cable.

To transfer music using Bluetooth:

4 Choose the device you want to send the file to.

5 Your file will be sent.

To receive a file:

1 To receive files, your Bluetooth must be both **ON** and **Visible**. See **Changing your Bluetooth settings** below for more information.

2 A message will prompt you to accept the file from the sender. Touch Yes to receive the file.

3 You will see where the file has been saved. For image files, you can choose to **View** the file. Files will usually be saved to the appropriate folder in **My stuff**.

TIP:

1 When you use a Bluetooth headset, A2DP and AVRCP profiles are not supported while you play video. It means you will not listen video sound if you use Bluetooth headset.

2 Bluetooth file transferring function will be blocked under some applications running. (Voice call, Camera/Camcorder, MusicPlayer, UMS/PCSync)

1 Make sure both devices have Bluetooth switched on and are connected to each other.

2 Select the music file on the other device and select send via Bluetooth.

3 When the file is sent, you will have to accept it on your phone by touching **Yes**.

4 The file should appear in **Music > All tracks**.

Managing files

You can store multimedia files in your phone's memory so you have easy access to all your pictures, sounds, videos and games. You can also save your files to a memory card. Using a memory card allows you to free up space in your phone's memory.

By touching **My stuff**, you can open a list of the folders that store all your multimedia files.

Games and Applications

You can download new games and applications to your phone to keep you enjoy.

Changing your Bluetooth settings:

Touch **Bluetooth** then select **Options** and choose **Settings**.

Pairing with another Bluetooth device

By pairing your LG-T510 and another device, you can set up a passcode protected connection.

1 Check that your Bluetooth is **ON** and **Visible**. You can change your visibility in the **Settings** menu.

2 Touch **Search**.

3 Your LG-T510 will search for devices. When the search is completed, **Refresh** will appear on screen.

4 Choose the device you want to pair with and enter the passcode, then touch **OK**.

5 Your phone will then connect to the other device, on which you will need to enter the same passcode.

6 Your passcode protected Bluetooth connection is now ready.

Application

Adding an event to your calendar

1 Touch **Calendar**.

2 Select the date you would like to add an event to.

3 Touch **Add**.

Setting your alarm

1 Touch **Alarms**.

2 Touch **Add**, then you can set and save your alarm in this menu.

Voice recorder

Use your voice recorder to record voice memos or other audio files.

Using your calculator

1 Touch **Calculator**.

2 Touch the number keys to enter numbers.

Converting a unit

1 Touch **Unit converter**.

2 Choose whether you want to convert Currency, Area, Length, Weight, Temperature, Volume or Velocity.

3 Then select the unit and enter the value you would like to convert from.

The web

Browser gives you a fast, full-colour world of games, music, news, sport, entertainment and loads more, straight to your mobile phone. Wherever you are and whatever you're into.

Accessing the web

1 Touch the **Browser**.

2 To go straight to the browser home page, select **Home**. Alternately, select **Enter address** and type in the URL, followed by **Connect**.

NOTE: You will incur extra cost by connecting to these services and downloading content. Check data charges with your network provider.

Access to Google Service

Access to Google Service Touch **Google** Search to launch google earch application.

Settings

Personalising your profiles

You can personalise each profile setting using the settings menu.

1 Touch **Profiles**.

2 Choose the profile you want to edit.

3 You can then change all the sounds and alert options available in the list, including your Ringtone and Volume, Message tone settings and more.

Changing your phone settings

Use the freedom of adapting the LG-T510 to your own preferences. From the home screen, select **⚙** and touch **Settings** then scroll to **Device settings**.

Changing your connectivity settings

Your connectivity settings have already been set up by your network operator, so you can enjoy your new phone immediately. To change any settings, use this menu: Touch **Connectivity**.

Sending and receiving your files using Bluetooth

To send a file:

1 Open the file you want to send, typically this will be a photo, video or music file.

2 Choose **Send via**. Choose **Bluetooth**.

3 If you have already paired the **Bluetooth** device, your LG-T510 will not automatically search for other **Bluetooth** devices. If not, your LG-T510 will search for other **Bluetooth** enabled devices within range.
