

MAGFAST Air Pro

Only **MAGFAST**
gets you charged up fast like this

Charging **Heavyweight**

Air Pro **leads the industry** with up to **5 times the power** of the competition.

Design **Heavyweight**

Beyond its **beauty**, Air Pro
is the heart of your family of
magnetic, fast, MAGFAST
chargers that all work
perfectly together.

Weight **Heavyweight**

When you grab your phone,
you want your charger to stay put.
Only **MAGFAST** Air Pro weighs
2.2lb, that's a full kilogram.

Treat your chargers with respect
and we **warranty them for life**.

Seriously.

If ever Air Pro fails in normal use,
just get in touch.

Fingerprint
Superior service.

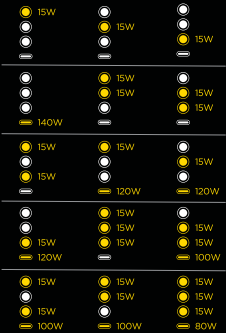

Counterfeits of top brand electronics are everywhere and can be dangerous.

So we developed **Fingerprint**, a unique, unguessable, one-in-a-trillion, instantly scan-able code to:

- Confirm authenticity
- Register instantly
- Get fast, superior service

Just scan the Fingerprint on any MAGFAST product, or visit MAGFAST.com/FP

Power distribution

*with a 140W power supply.

Database Pro

We've made a pro base for Air Pro that **handles everything data**. Database Pro snaps on magnetically **connecting**, mice, **keyboards**, memory sticks, **hard drives**, mics, **headsets**, cameras, **screens** and much **more**.
