

Model Difference Statement

Dear Sir/Madam,
FCC ID: 2A3U8-DC128W
April 21, 2026

Added models ES-DC128, MNZ6E basis of the original product DC128W The listed series models have different appearance colors, model names and appearance shapes from the main model, but the circuits and electronic structures are the same. After evaluation, it is determined that the differences in appearance shapes will not affect the test results of the EUT. The manufacturer has made this statement.

Sincerely,
