

The image displays a collection of 12 pages from the HMD User Manual, organized into a 4x3 grid. Each page is dedicated to a specific language and contains the following sections:

- 1. Appearance Description:** A diagram of the HMD with numbered callouts (1-10) identifying key components like the touch area, top button, touch area, and bottom button.
- 2. Operating Instructions:** Detailed instructions for using the HMD, including how to turn it on/off, adjust the strap, and use the touch area.
- 3. Download APP, install and connect devices:** A QR code linking to the app download page, followed by instructions for downloading and installing the app on a smartphone.
- 4. App interface:** A screenshot of the app's main interface, showing various settings and options.
- 5. Precautions:** A list of safety warnings and precautions, such as avoiding use in high temperatures, avoiding contact with water, and avoiding use while driving.

The languages represented are: English (User Manual), Spanish (Manual de Instrucciones), French (Mode d'emploi), German (Gebrauchsanweisung), Chinese (取扱説明書), Arabic (دليل المستخدم), Vietnamese (Hướng dẫn sử dụng), and Japanese (使用説明書).
