

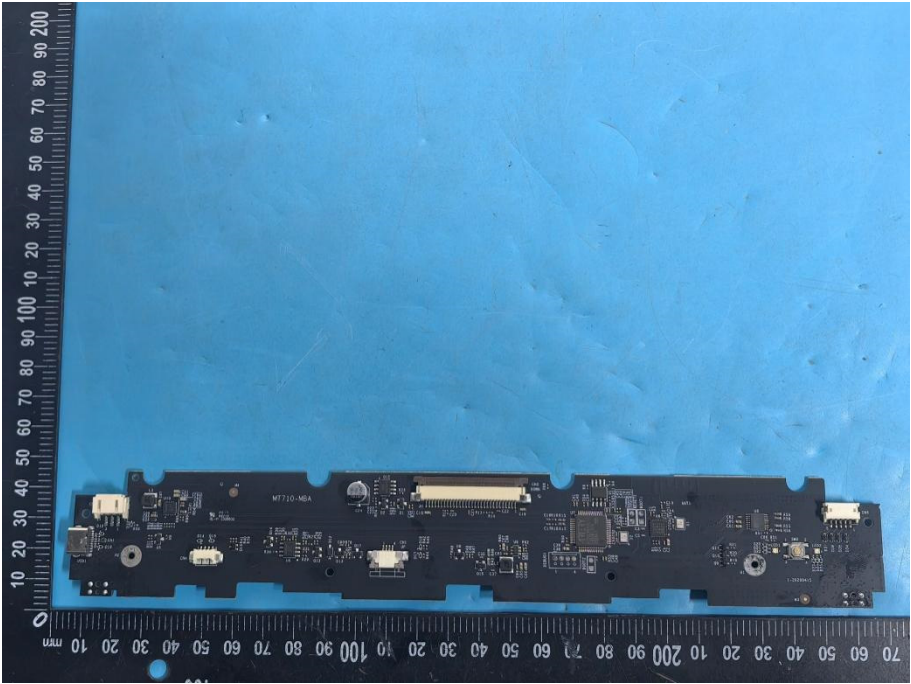

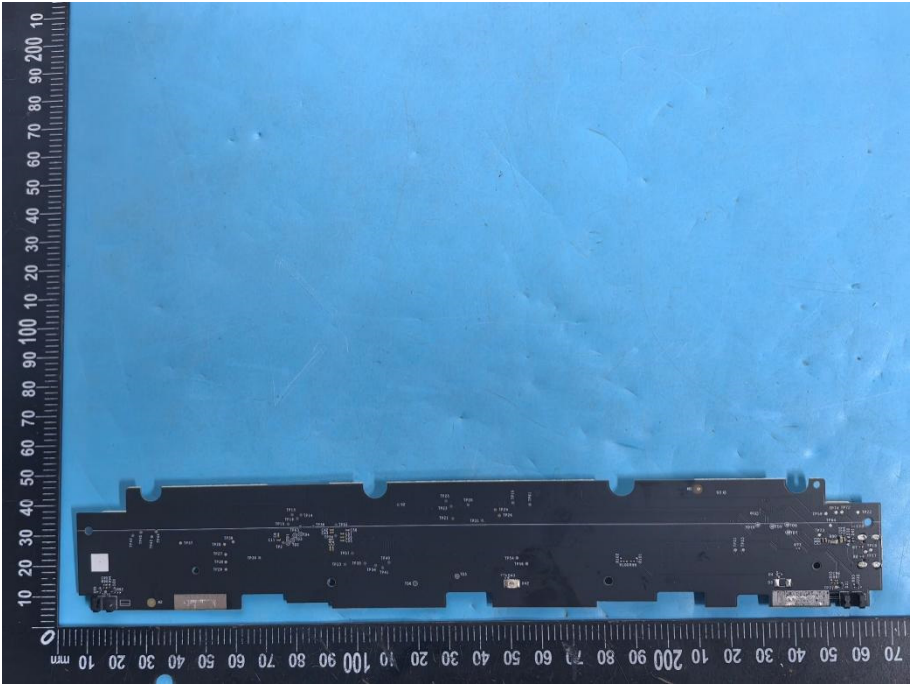

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

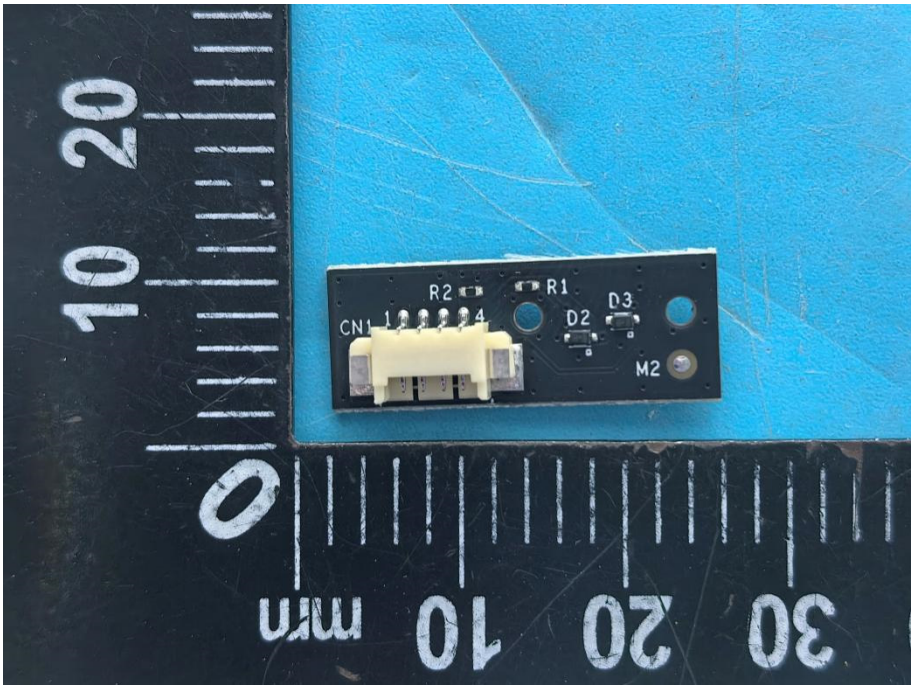

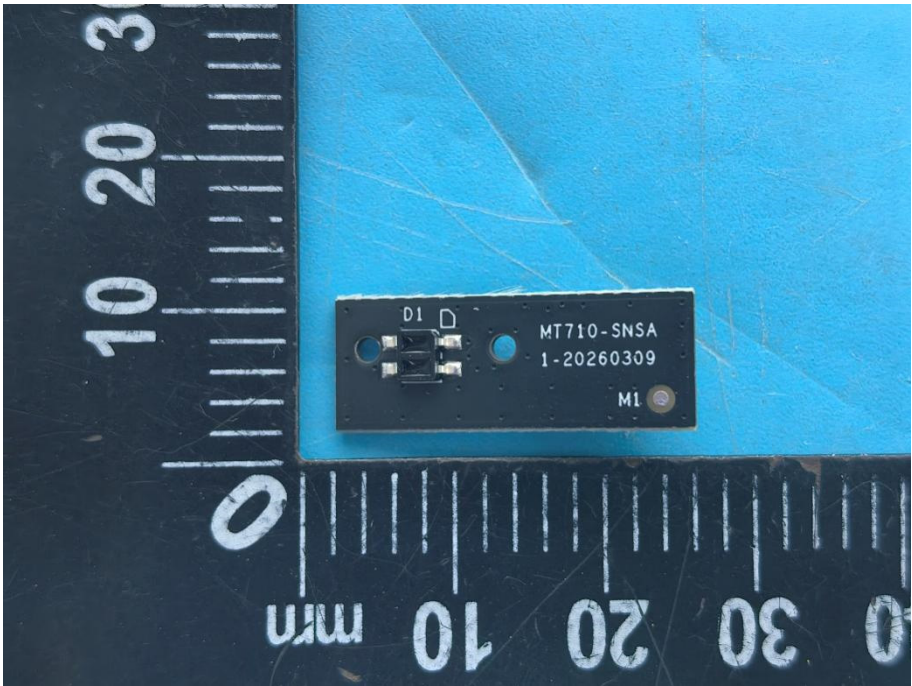

**EUT Housing and
Board View 1**

**EUT Housing and
Board View 2**

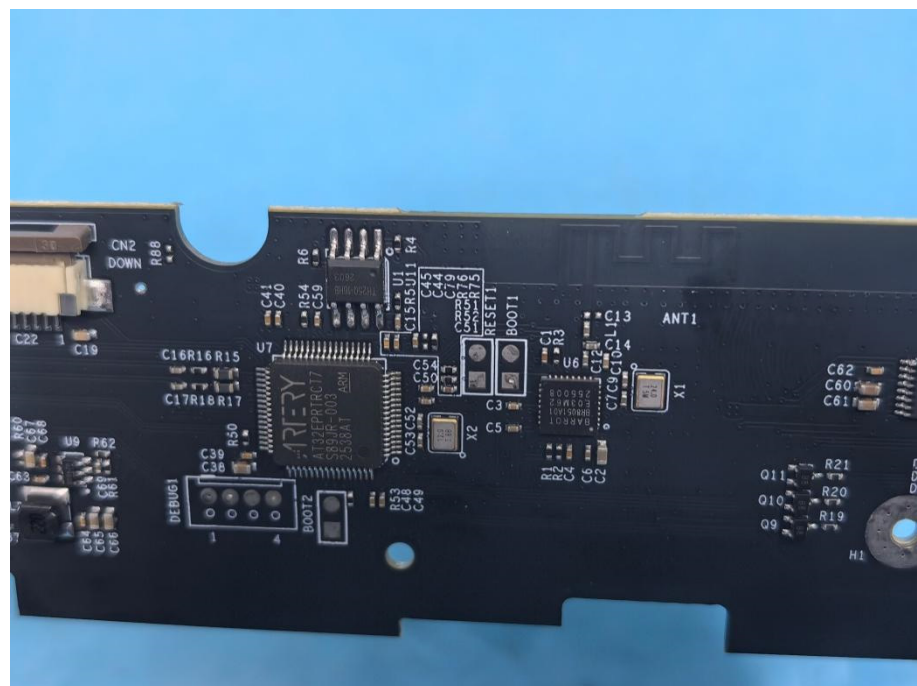

Solder Board-Component View 1	 A photograph of a black printed circuit board (PCB) component, labeled MT710-MBA, positioned horizontally against a blue background. The board is populated with various electronic components, including integrated circuits, resistors, and capacitors. A white connector is visible on the left side. A black L-shaped ruler is placed around the board, with the vertical scale on the left ranging from 0 to 200 mm and the horizontal scale at the bottom ranging from 0 to 200 mm.
Solder Board-Component View 2	 A photograph of the same black PCB component from a different perspective, showing the underside or a different side. The board features various components, including a large integrated circuit in the center. A black L-shaped ruler is placed around the board, with the vertical scale on the left ranging from 0 to 200 mm and the horizontal scale at the bottom ranging from 0 to 200 mm.

Solder Board-Component View 3	 A photograph of a small electronic component on a blue solder mask. The component is rectangular with a yellow connector on the left. It features several labeled components: R2, R1, D2, D3, and M2. A black ruler with white markings is placed below the component for scale, showing measurements in millimeters.
Solder Board-Component View 4	 A photograph of the same electronic component from a different angle. This view shows the top of the component with labels D1, D, MT710-SNSA, 1-20260309, and M1. The yellow connector is visible on the left. A black ruler with white markings is placed below the component for scale, showing measurements in millimeters.
