"Information to User"

Caution: The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body.

User's manual

Thank you for choosing our products. Please read the instructions carefully before using this product. Its strongly recommended that you keep this user manual for reference.

1. Product Information

- Product Name: LED Painting Lights
- Model Number: 5VRGB-HBD
- Manufacturer Name: Shenzhen Bojia Electronic Technology Co., LTD
- Address: 2nd Floor, Building 5, Tongfuyu Xufa Science Park, Shangcun Village, Gongming Street, Guangming District, Shenzhen City, Guangdong, China
- Manufacturer Contact Information: hmxlight@gmail.com
- Intended Use/Product Function: Used for decoration and painting
- EU Authorized Representative Name & Address

2. Security Information

- This product is not a toy. Keep out of reach of infants and children.
- For indoor use only.
- Do not put this product into fire or place it in an excessively hot environment.
- If you do not use this product for a long time, please cut off the power.
- Please use a standard safety power supply to power this product. Do not use fast charging.

3. Maintenance and upkeep

- Clean the product with a dry, soft cloth only.
- Disconnect the power supply or remove batteries before cleaning or maintenance.
- This product uses 2 AAA batteries for remote control, and the remote control does not come with a battery.

4. Recycling Instructions

- Do not dispose of discarded electronic products with household waste.
- Please recycle them at locations with recycling facilities.
- For recycling advice, please consult your local authorities or retailers.

5. Installation Instructions

① Remove the card slot and drawing board. Align the drawing board with one end of the card slot and insert it until both ends of the card slot are aligned with the edges of the drawing board.

② Take out the chain, align the hook with the pre-drilled hole on the drawing board, and insert it. Repeat the same process for the other hook.

- ① Brightness +/-
- ② On/ Off
- ③ Static Mode
- ④ Timing
- ⑤ Dynamic mode adjustment
- ⑥ Music sync color change

6. Troubleshooting instructions

Problem	Possible Cause	Solution
The light is not on	Power not connected	Check the power connection
Remote control faulty	The battery is dead	Replacement battery
Lights flashing	Loose connection	Ensure all connections are secure
Some lights faulty	Product damage	Stop using and dispose of properly
