Columbia, MD 21046

Dear Sir or Madam:

Our ESL (Electronic Shelf Label) products (Model Numbers: ET0213-81, ET0213-39; FCC ID: 2BU9I-ET0213-81) are equipped with chips that support only BLE (1M) / BLE (2M) (2402–2480 MHz); NFC functionality is limited to passive mode, and all other frequency bands are disabled via software configuration.

Please contact me if there is need for any additional clarification or information.
