

Antenna Specification

Product Name: Circuit board mounted antenna

Manufacturer: Haiyan Electronics

Address: South of Rongfei Road, Sizhugan Area, Tuchi Village
New District, Fengxiang Street, Chenghai District, Shantou City,
Guangdong Province

1. Internal materials of antenna

Main materials	Scope of Application	Remarks
Copper skin thickness	12mil	environment protection

2 Product performance

Specifications and dimensions

Product Name	Scope of application	Line specifications	Appearance
Circuit board mounted antenna	On the circuit board	Refer to the PCB antenna specification diagram	No damage or scratches on the surface Defects such as scars and oil stains

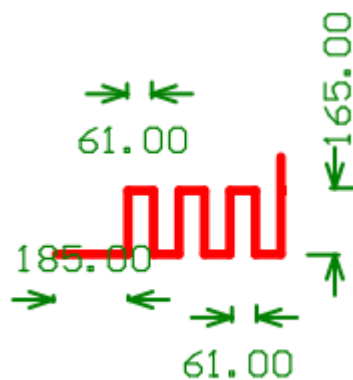

3 Wire performance

Serial number	project	Standard
1	heat-resistant	200度

3 Antenna frequency range: 2.4GHMz - 2.8GHMz

Antenna gain : -1.66dBi

本PCB天线规格图及其参数
天线为PCB板载天线

Radiation Pattern:
