

Antenna Specification

Project	Specification
Frequency Range	868.35MHz
Antenna Gain	0dBi
Length of Antenna	73.97mm

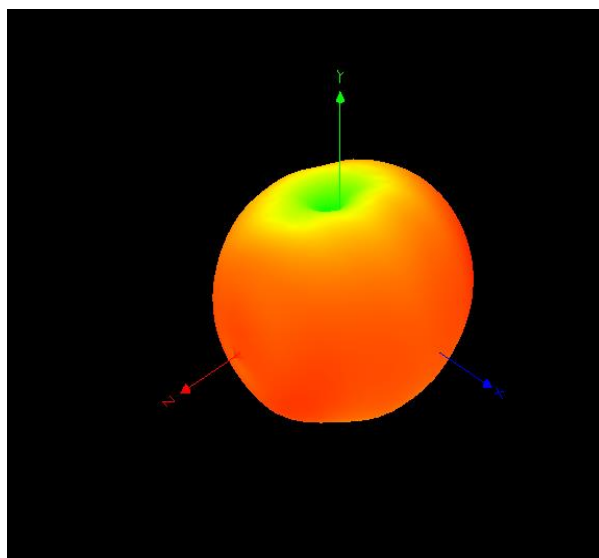

Manufacturer: Shanghai Moteng Digital Technology Co., Ltd.

Address: Room 306-03, Building 1, No. 135, Yixian Road, Yangpu District, Shanghai, China

Daily chart

3D orientation map

All measurements were performed radiated and therefore additional antenna gain documentation is not required.
