Covered Equipment Certification Attestation Letter

47 CFR sections 2.911(d)(5)(i) and 2.911(d)(5)(ii)

Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046
ATTN.: Reviewing Engineer

FCC ID: APV-TTU3640LAB

CalAmp Wireless Network Corporation (“the applicant”) certifies that the equipment for which authorization is sought is not “covered” equipment prohibited from receiving an equipment authorization pursuant to §2.903 of the Federal Communications Commission rules and is not identified on the FCC Covered List as an entity producing “covered” equipment.

The equipment does not incorporate any cybersecurity, anti-virus, or data protection software produced or provided by Kaspersky Lab Inc. or any of its successors and assignees, including equipment with integrated Kaspersky Lab, Inc. cybersecurity or anti-virus software, identified on the covered list installed on the device, nor will it be installed by the applicant at any time after certification.

For equipment classified as Unmanned Aircraft Systems (UAS) or components thereof, the applicant certifies that no flight control systems, command/control links, or data transmission systems are produced, supplied, or controlled by Covered List entities, and that no communication and video surveillance functions rely on infrastructure or services provided by Covered List entities.

For equipment classified as consumer-grade routers, the applicant certifies that the equipment is not covered equipment as defined by the FCC under the Secure and Trusted Communications Networks Act of 2019; Furthermore, the applicant declares that any consumer-grade routers provided either manufactured within the United States or have

been granted a Conditional Approval by the Department of Homeland Security (DHS) or the Department of War (DoW).

If any portion of the equipment, supply chain, or development process involves an entity appearing on the Covered List, the applicant has provided a detailed justification demonstrating why the equipment is not covered equipment under §2.903.

Full Name: Imad Rizk

Position / Title: Director, Product Certification

Place of Issue: 2200 Faraday Ave, Suite 220
