USB-STICK FOR BARRYVOX® 2/S2

BENUTZERHANDBUCH / USER MANUAL

USB-Stick for Barryvox® 2/S2

IC: 8038A-USBBARRYVOX

FCC ID: ARN-USBBARRYVOX

Canada: IC Statement

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that causes undesired operation of the device.

USA: FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residual installation. This equipment generates, uses and can radiate frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

This device complies with the Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

To assure continued compliance, any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Entsorgung: Am Ende der Lebensdauer darf dieses Produkt nicht als regulärer Abfall entsorgt werden. Es muss durch eine spezialisierte Entsorgungsstelle für die Wiederaufbereitung von elektronischen Geräten entsorgt werden.

Disposal Information: At the end of its lifetime, this product may not be disposed with regular waste. It must be recycled by a specialized facility for recycling electronic devices.

Elimination: A la fin de sa durée de vie, l'appareil ne doit pas être éliminé avec les déchets ménagers. Il doit être éliminé par un centre d'élimination et de recyclage spécialisé pour les dispositifs électroniques.

Smaltimento: Alla fine della durata della sua vita questo prodotto non può essere eliminato nei rifiuti regolari. Deve venir smaltito in un sito di rifiuti speciali per il riciclaggio degli apparecchi elettronici.
