Apple Inc. ("Apple") certifies that the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules.

Apple certifies that as of the date of the filing of the application, the devices for which authorization is sought do not have cybersecurity and/or anti-virus software produced or provided by Kaspersky Lab, Inc. or any of its successors and assignees identified on the Covered List installed on the devices, nor will it be installed by the applicant anytime after certification.

Apple certifies that, as of the date of the filing of the application, Apple is not identified on the Covered List as an entity producing "covered" equipment and is not an affiliate or subsidiary of an entity identified on the Covered List.

Sincerely,

Abhishek Rala
Global Certification Manager
Apple Inc.
