Professional Installation Declaration

Date: 2/25/2026

FCC ID : VPYLBWA0ZZ2JM

To Whom It May Concern:

This RF module is intended solely for installation by professional integrators and OEM manufacturers. The module is not sold to the general public and is not available through retail channels, ensuring it is not readily accessible to average consumers. Integration requires specialized RF knowledge, including proper antenna selection, gain configuration, PCB layout considerations, and host system compliance validation, which can only be performed by qualified personnel. RF parameters must be set by professional installers following manufacturer instructions that are not provided to end users. The module is designed for industrial/commercial host equipment and requires controlled distribution, specialized tools, and technical training to install correctly and maintain compliance with FCC Part 15 requirements.
